1. Acknowledgement of Aboriginal People and Country

The Department of State Growth (State Growth) recognises and values Aboriginal histories, knowledge and lived experiences and is committed to being culturally inclusive and respectful in our working relationships with all Aboriginal people.

State Growth acknowledges all Aboriginal people; the traditional owners of the Land upon which we work and pay our respects to Elders past and present.

2. Overview

Events are an important part of the visitor economy. They create a trigger for travel, promote regional dispersal of visitors, encourage participation and connectedness between people, and create excitement and entertainment, which in turn increases people's desire to visit or return to Tasmania.

Events Tasmania is committed to attracting people to Tasmania, encouraging people to move around Tasmania and inspiring people to talk about Tasmania through their own circles of influence.

Events Tasmania aims to deliver a balanced events portfolio that enhances Tasmania's brand and reputation as a unique tourism destination while aligning with the [Tasmanian Government Events Strategy 2023-2027](#).

The Tasmanian Government's Events Strategy 2023- 2027 provides a framework to maintain a sustainable and successful tourism and hospitality sector that delivers greater benefits to the economy and our communities, by supporting events that align these three pillars:

- I. Economic – Events are a key generator of economic growth opportunities.
- II. Social – Events contribute to our environment, wellbeing and connectedness, and incorporate into their offerings a genuine recognition of our island and its people.
- III. Brand – Events create substantial value for Tasmania and Tasmanians. Tasmania has become a popular destination for visitors seeking to explore the many unique experiences on offer.

3. Aim

The aim of the Championships Grant program is to support the hosting of national and international championship and sporting events in Tasmania, driving increased visitor numbers to the state by attracting high-profile competitions.

The program seeks to support the delivery of championships and sporting events that promote and attract audiences to Tasmania between 1 July 2026 and 30 June 2027.

4. Funding available

Grants of up to \$10,000 are available to organisers of eligible competitions, championship and sporting events that:

- Attract more than 100 people from outside Tasmania who stay three nights or more in paid commercial accommodation (hotel, motel, B&B, cabin).
- Promote pre- and post- championship travel as part of their event marketing.

Grant amounts are determined by the number of interstate or international visitors the championship or sporting event will attract, and when and where in Tasmania the championship or sporting event will be held.

Please refer to section [9. Assessment process](#) table for eligible amounts.

Grants are available until either the allocated funding is exhausted or the program closes - whichever occurs first.
