The Events Tasmania Grants Program

Thank you for your interest in the Events Tasmania Grants Program. This document provides guidelines for organisations interested in seeking funding through the Championship grants category.

Before you submit your application online, please read the guidelines to confirm your eligibility.

About Events Tasmania

Events are an incredibly important part of the visitor economy. They create a trigger for travel, promote regional dispersal of visitors and generate fantastic stories and images that in turn increase people's desire to visit Tasmania.

Housed within the Department of State Growth, Events Tasmania delivers part of the *Tasmanian Government Events Strategy 2015-2020*; to deliver a balanced events portfolio that enhances Tasmania's reputation as a tourism destination.

Events supported through Events Tasmania return around \$100 million to the Tasmanian economy each year, as well as creating jobs and engendering pride in our state.

Our support and funding programs have been developed to maintain a balanced events portfolio that:

- attracts people to Tasmania; supporting the joint strategy between the tourism industry and government to increase visitor numbers to Tasmania to 1.5 million per year by 2020;
- encourages Tasmanians to move around the state; and
- gets people talking about Tasmania through their own circles of influence.

About the program

Established in 2002, the Events Tasmania Grants Program has provided funds to over 1000 events. Funding is available through the Events Tasmania Grants Program this year under the following grant categories:

- Touring grants
- Marketing Tasmania grants
- Championship grants
- One-off Assistance grants

More information about the Events Tasmania Grants Program is available at www.eventstasmania.com/grants.

About Championship grants

Events Tasmania is committed to increasing the number of people coming to Tasmania, ensuring that they travel around the state while they are here.

As part of meeting these objectives, Events Tasmania is investing in events that bring competitors and supporters to Tasmania.

Grants are worked out against set criteria up to a maximum of \$7 000 and are available to eligible competitions, championships and sporting events that:

- attract more than 100 people from outside Tasmania
- stay three nights or more in paid commercial accommodation (hotel, motel, B&B, cabin)
- promote pre- and post-championship holidays and regional touring as a part of their event promotion.

Applicants can be based anywhere in Australia, and must be able to enter into a funding agreement with the Tasmanian Government.

Reasons you may not be eligible for a grant

Our funding programs don't support conferences, conventions, symposiums, trade fairs, fundraising events, expos and events that are primarily a showcase for stall-holders to demonstrate, promote or sell services or products.

If your event already receives Events Tasmania funding through a Major Event Partnership you are not eligible for funding from the Grants Program for the same event.
